Queen's Park v Vale of Leven wo-scr
Vale of Leven had asked for a postponement due to a family bereavement but were refused

The final was due to be played on Saturday, 23 March. However by the previous Wednesday it was clear that because of bereavement, illness and injury, three Vale players would be unavailable, six of their reserves were also indisposed. The Vale asked the SFA for a postponement but as they had apparently not given an full explanation, were refused. The SFA committee who met after Vale's no-show was chaired by the President of the SFA, who happened to be a Queen's Park member who didn't excuse himself from proceedings despite the vested interest. However the narrowness of the vote to award the Cup to Queens - 7-6 – was noted in the press who commented about renaming the SFA the 'Queen's Park and Rangers Association'.

FOOTBALL CHAMPIONSHIP OF THE UK

Match played between the holders of the Scottish and FA Cups

1 Sep Dumbarton v Blackburn Olympic 6-1 *at Boghead Park, Dumbarton*

FOOTBALL CHAMPIONSHIP OF UNITED KINGDOM.—On Saturday afternoon, at Boghead ground, Dumbarton, there was a large assemblage to witness the Blackburn Olympic, the holders of the English challenge cup, play a football match with the Dumbarton, the holders of the Scottish challenge cup. The Olympic kicked off, and soon had the ball over the Dumbarton's lines; but the home team recovered themselves, and in a few minutes scored their first goal. Play at the kick off was of a give and take nature, but gradually the Dumbarton assumed the aggressive, and after neat passing by the forwards, M'Arbair gave the leather the parting shot with his heel, and goal number two for Dumbarton was registered. The Englishmen now played desperately, and M'Aulay, the Dumbarton keeper, had to use his hands; but quicker than it takes to write, the ball was at the other end of the field, and shaved past the uprights. Several times the English keeper saved his charge; but a few minutes from half-time he was doing his best again when the leather slipped between his legs, and thus the third goal for Dumbarton was scored. In the second period the Olympic played much better; but when time was called the match stood in favour of the Dumbarton club by six goals to one.

22 Dec Arbroath v Dundee Harp 2-1 *abandoned after 85 minutes due break-in by crowd but the result stood after a protest.*

A Forfarshire FA was proposed after an initial meeting at the Imperial Hotel in Dundee on 24 January 1883 by eight Dundee clubs plus representatives from Arbroath FC. Seventeen clubs subsequently met on the 31st at the same venue and the FFA was founded. A cup competition was also set up on with £35 being spent on buying the trophy, the money coming from proceeds of exhibition matches between the member clubs. This was regarded, like other county cups during the 19th Century, as prestigious as the Scottish Cup.
